Light Brows

- Ash Brown MB**
We created this color with micro-blading in mind. It implants quickly and heals a powerful dark brown ash color. (C) LB-MB-1
- Taupe MB**
Pretty medium ash taupe color. Slightly darker and more opaque than Soft Brown Taupe. Great for hairline strokes. (N) LB-MB-2
- Blonde MB**
Beautiful perfect blonde color with a hint of warmth. (W) LB-MB-3

Medium Brows

- Brown MB**
Medium to dark brown. Heals neutral. Appears warm immediately after. Great for creating well defined eyebrows, micro-blading and hairline strokes. (N) MB-MB-1
- Champagne MB**
Beautiful light brown color. Popular color for brunettes. Slightly lighter than the color chip. (W) MB-MB-2
- Light Brown MB**
Popular for those wanting a medium neutral brown tone in their eyebrows. Great for microblading. (N) MB-MB-3

Dark Brows

- Dark Ash Brown MB**
Beautiful dark brown eyebrow color. Perfect dark brown color. Implants quickly. Very consistent. Heals slightly cooler on Hispanics and Asians than Caucasians. (C) DB-MB-1
- Dark Brown MB**
Perfect dark ash brown color. This long lasting color holds the ash brown tones without turning gray! Creates beautiful medium to dark ash brown hairstrokes. (N) DB-MB-2
- Taupe Brown MB**
This color heals a beautiful brown taupe. Appears copper brown immediately after, but heals neutral. (N) DB-MB-3

Black Brows

- Espresso MB**
This color is the perfect black brown eyebrow. It appears slightly warm immediately after. It heals soft black brown. (W) BB-MB-1
- Auburn MB**
Beautiful auburn colors. Don't be afraid of the red tones in this formula; it heals a perfect auburn color. Great base for microblading or dimensional hairline stroke eyebrows. (W) BB-MB-2
- Light Warm Brown MB**
This color is an awesome medium brown/auburn color. The color appears auburn immediately after and heals a very pretty medium brown. (W) BB-MB-2
